

Pictures and Video

We like to take a lot of pictures of the children throughout the year. This way the parents get to see their child's day at A Small World Early Childhood Center. Plus the children love to see their friends and take home the pictures to look at later. We take candid pictures throughout the day of the children playing, eating, singing, making art projects, plus during parties, field trips, or for pictures to be put in our Center photo album; or simply to hang on the doors and walls for the children to be able to see. Please fill out this form stating whether your child is or is not allowed to be photographed.

Please check one I hereby give I do not give

Permission to take pictures of my child _____, while at A Small World Early Childhood Center. I understand that these pictures are for fun and will be done in a reasonable manner.

We also take videos of the children. We may tape throughout the year; during parties, field trips, and other fun moments so the children can share their special moments with their family.
